Sir,

I have the honour to submit for favour of sanction a statement shewing the expenditure incurred under the authority conveyed in Government Proceedings No. Fl 1831-3 dated 13th May 1902 for the improvement of the surroundings of the Amba Vilas. As most of the houses were occupied by wesn families, it was not possible when the original estimates were sent up to correctly

measure

measure and estimate the Zenana portion of the houses. When subsequently making the award, it was therefore found necessary to exceed in several cases the estimated value of the property. The cost of demolition and of the removal of debris to distant places was Rs 1845. The work was undertaken at a time when there was a very great demand for labour consequent on the several works in progress in the months of June and July preparatory to the Installation and the Viceregal visit, and high wages had therefore to be paid. The sale proceeds of the materials of a few of the houses fetched Rs 3247-6-1. The other house owners were given the materials

of

of their houses in addition to the compensation amount to help them to build new houses elsewhere. The enclosed statement gives the amount sanctioned the expenditure incurred and the amount realized by the sale of materials. The cost of demolition was not included in the original estimate. This amount viz Rs 1845 has been paid to the contractors.

Office of the Comptroller,
Mysore Government,
Bangalore, Dated 21 December 1906.

From

Rai N.G.Basu Bahadur, M.A.,
Comptroller of Mysore,
B a n g a l o r e.

To

K.S.Chendrasekhara Iyer, Esq., B.A.B.L.
Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

I have the honor to acknowledge the receipt of your letter No.Fl:6953/Gl:Fin:53-01 dated 24th April '06 and subsequent Reminders asking me to communicate the reply of the Vice President of the Mysore City Municipality ~~in~~ regarding the expenditure incurred for acquiring certain houses to improve the surroundings of the Ambavilas of the Mysore Palace.

2. From reply No.420 dated 11th Instant (copy enclosed) received from the President to the enquiry made in this office communication No.4978/TAD.Gr.II.758 dated 7th March '06 (copy forwarded herewith for reference) it appears that the amount paid as compensation for acquiring the houses referred to in Government order No.1831-2 dated 13th May 1902 is Rs.15,712-12-0 against Rs.14,385/- sanctioned in that order. The excess expenditure incurred was therefore Rs.1327-12-0 which the Vice-President now reports was due to the enhanced amount of compensation awarded over the estimated amount. From the details furnished by the Vice President it is gathered that a portion of this excess expenditure viz:Rs.283-0-7 was met from the sale proceeds of the materials of the houses demolished which amounted to Rs.2131-4-0. The Vice President further reports that the charges for demolishing the houses aggregating Rs.1835-13-5 were also met from the sale proceeds. The unspent balance of the sale proceeds is accordingly Rs.12-6-0 which is reported to be available.

10

The utilization of the sale proceeds, which should have been credited in the Treasury, for expenditure was irregular and unauthorized.

3. In the statements of receipts and expenditure forwarded by the Vice President, a copy of which is herein enclosed for reference, a sum of Rs.2960/- is shewn as having been drawn from Plague Funds. This amount which is still outstanding in the Plague accounts of this office appears to have been partly utilized towards the removal of houses of another block for the improvement of the surroundings of Ambavilas sanctioned in Government Proceedings No.2344-7/Fl: dated 3-6-1903, the amount so utilized being Rs.1915-4-7. The balance of Rs.1044-11-5 was apparently utilized for payment of compensation as only Rupees 283-0-7 out of Rs.1327-12-0 incurred in excess as stated above was met out of the sale proceeds of materials.

4. In his docket of the 11th Instant the Vice-President states that the excess amount of compensation paid is not Rs.203-9-5 as pointed out by this office, but Rs.1327-12-0. This statement is not correct. The sum of Rs.203-9-5 is the amount actually drawn by the Vice-President from the Treasury, on cheques over and above the amount sanctioned by Government as intimated to you in my letter No.5234/TAD.Gr.II.811 dated 19-3-'06. This has yet ~~been~~ to be accounted for. In detailing the receipts and expenditure the Vice-President has in the statement furnished by him shewn the amount sanctioned by Government (14385) instead of the amount actually drawn (Rs.14588-9-5) as an item of receipt He has therefore to account for the difference. A copy of this letter has been forwarded to him and his explanation for the difference will be communicated to you on its receipt.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.

Adverting to his docket No 4978/A.D. II. 758 dated 7th March 1906, requesting to furnish certain information in connection with the expenditure incurred for the acquisition of houses for improving the surroundings of Ambavilas, I am to inform that the amount of sale proceeds of demolished houses viz: Rs 2,131-4-0 was kept in the Municipal Deposits and afterwards utilized for the payment of demolition charges and the enhanced amount of compensation awarded over the estimated amount in many cases as per particulars given in the margin.

2 Rs 1,915-4-7 was utilized towards the removal of houses of another block for the improvements of the surroundings of Ambavilas sanctioned in Government Pro: No 2344-7/H dated 3.6.03. This amount has not yet been adjusted pending the receipt of Government sanction for further funds applied for.

3 The balance of Rs 760/- unspent out of Rs 8000/- sanctioned in the first instance for the acquisition of houses near

12

near Karikal Thotti has not yet been spent as some of the persons to whom money is due for having acquired their properties have not appeared to receive payments.

4. The excess amount of Compensation paid is not Rs 203-9-5 as noted in the margin of the docket under reply but Rs 1327-12-0 as per accounts of this office. This excess amount had to be incurred to meet the increased amount of Compensation awarded more than the estimated amount in several cases as noted above
